

# Assignment 2 – Upload Research tasks to OneDrive and share with nzcc3

---

## Competency Requirements:

Completion of all tasks

## Assignment Instructions

Read all instructions carefully.

Complete ALL tasks.

Share tasks to [nzcc3@eit.ac.nz](mailto:nzcc3@eit.ac.nz) when complete.

Subject Line: 3.40 Going Mobile Assignment 2

Include your name in the message.

## Task 1

- 1 Create a folder in your OneDrive Account named Report then upload your report from Assignment 1 into this folder.

If you can get someone at home **to video you when doing any one of the following tasks** then you can upload the video to your OneDrive Account named Report

- a) Set up a Wi-Fi Hotspot using mobile device
- b) Connect a device using Bluetooth technology
- c) Set a cloud storage account to automatically upload photos, then turn off this option

Share your OneDrive folder, containing two files, with [nzcc3@eit.ac.nz](mailto:nzcc3@eit.ac.nz)

OR

- 2 Create a folder in your OneDrive Account named Report then upload your report from Assignment 1 into this folder.

You can choose to write clear instructions in a Word document, to tell someone how to complete **any one of the following tasks** then upload the document to your OneDrive account named Report

- a) Set up a Wi-Fi Hotspot using mobile device
- b) Connect a device using Bluetooth technology
- c) Set a cloud storage account to automatically upload photos, then turn off this option

Share your OneDrive folder, containing two files, with [nzcc3@eit.ac.nz](mailto:nzcc3@eit.ac.nz)

## Task 2

Research how to synchronise your **tablet and computer** OR **phone and computer** (either Android or Apple whichever you have) and provide instructions to guide someone to do this. Tidy up the downloaded data to make it easy to read the word document.

Include all URLs.

Upload the instructions to [nzcc3@eit.ac.nz](mailto:nzcc3@eit.ac.nz)
